FOUNDATION.**

**FOR LIFE'S JOURNEY**

**2017** ANNUAL REPORT

## LETTER FROM THE BOARD CHAIR

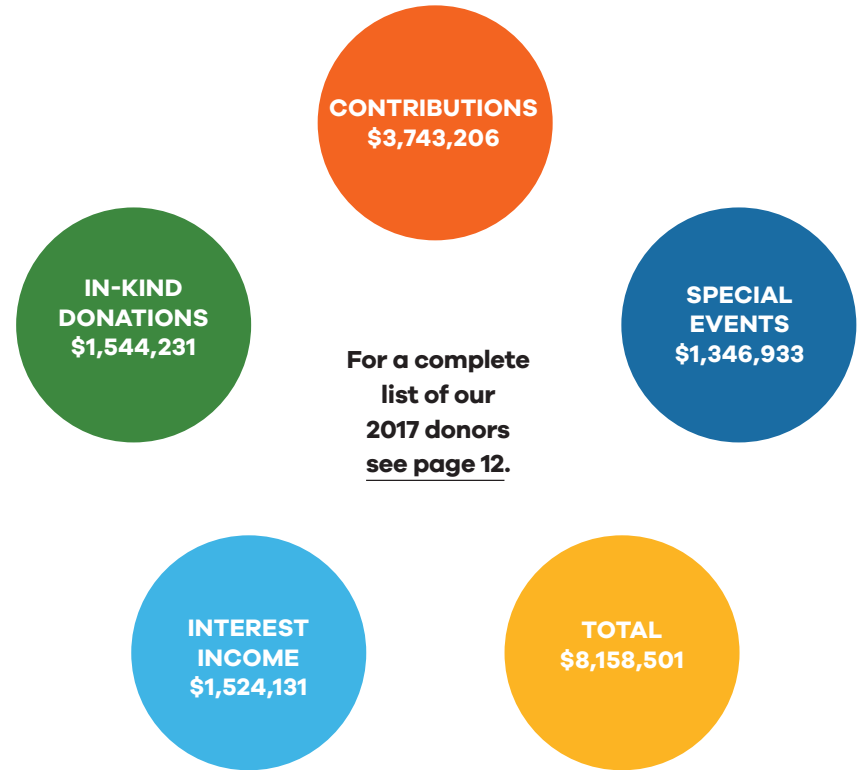

Josh Hanfling

“Because of you, Denver Health is truly a place where medical greatness and human goodness connect.”

It is a pleasure for me to introduce the 2017 annual report for the Denver Health Foundation. It reflects the amazing support received from a community of generous donors on behalf of our city’s essential public healthcare system. For an organization that provides world-class medical care to one-third of the residents of Denver in state-of-the-art facilities, these donations made a world of difference.

For the 52% of patients who live below Federal poverty levels, Denver Health is a life-saver. Your support makes it possible to provide high-quality care to those who need it most. On behalf of the entire Board of Directors, I thank all of the donors who partnered with us during 2017. Because of you, Denver Health is truly a place where medical greatness and human goodness connect.

With heartfelt appreciation,  
~ Josh Hanfling

### 2017 REVENUE BY SUPPORT TYPE

These generous contributions allow Denver Health to fulfill its mission to its patients and the city of Denver, and our community is healthier as a result.

## DENVER HEALTH FOUNDATION

### FOR LIFE'S JOURNEY

The mission of the Denver Health Foundation is to support Denver Health in its role to sustain and advance the health and well-being of Denver, Colorado, and the Rocky Mountain region.

The Denver Health Foundation has been the fundraising arm for Denver Health and Hospital Authority since 1998.

An independent 501(c)(3) nonprofit, the Denver Health Foundation raises funds to support a variety of diverse programs at Denver Health. We maintain active partnerships with individual philanthropists, local and national foundations, corporations, and produce multiple, high-profile events throughout the year.

In 2017, with generous contributions from our donors, we provided more than \$8.1 million to assist Denver Health in the delivery of high-quality care and vital resources to Denver's citizens.

### **2017 EMPLOYEE GIVING CAMPAIGN**

For its 7,110 employees, Denver Health is not just a great place to work; it is a place where great work is done in service to others. That's why, in 2017, 1,809 dedicated employees pledged to give \$451,682 of their personal resources to support vulnerable patients, low-income newborns, early childhood literacy, research and scholarships, and more.

## DENVER HEALTH FOUNDATION 2017 EVENTS

# *Night Shine*

On Saturday May 13, 2017, 1600 guests filled the Centennial Ballroom at the Hyatt Regency Denver to raise \$1.4 million dollars for Denver Health. Sensational event co-chairs Steve Farber, David McReynolds and Dan Scherer provided the event leadership needed to ensure an extraordinary evening. Chuck Morris was honored for his tireless energy and endless contributions to the Denver Health Foundation. The award was presented by Todd Mohr from Big Head Todd and the Monsters, Governor John Hickenlooper, and the Nitty Gritty Dirt Band.

Kenny Loggins, the evening's entertainment, thrilled the audience with an outstanding performance. Contributions from the evening benefited the Denver Health Paramedics. We would like to give a heartfelt thank you to all who made the evening possible; our guests, sponsors, donors, and volunteers.

DENVER HEALTH FOUNDATION 2017 EVENTS, continued

Thank you to the 1000 guests who joined us at the 9th Annual **HOT ROCKS GRILLER CHALLENGE**. Because of your support, \$95,000 was raised for Men's Health at Denver Health. We are grateful to our sponsors HKS Architects, PCL Construction and Turner Construction Company. Our hard working co-chairs, Stephen B. Clark, Bruce Clark, Laura E. Clark and Monica Clark Petersen were nothing short of remarkable in their commitment and leadership of the event.

Fifteen of Denver's top chefs brought their A-games to support Denver Health Foundation and the Urology Services at Denver Health, long known as one of the preeminent Urology programs in the country. Under the leadership of Dr. Fernando Kim, it attracts patients from around the world with an innovative use of digital imaging and minimally invasive surgical approaches to prostate, kidney and bladder cancer. Because of donors like you, Dr. Kim will continue his award-winning research to advance diagnosis and targeted therapy for these diseases.

**SABIN SCHOLARSHIPS IN  
NURSING EDUCATION**

In November 2017, the Denver Health Foundation awarded the first Sabin Scholarships in Nursing Education to four amazing Denver Health Employees pursuing their BSN's. The four recipients were chosen by a Committee from a robust group of deserving applicants, all of whom met the stringent guidelines for submission. Each received \$20,000 thanks to the generous donors who are supporting this important initiative.

## COMPLETION OF THE CHILD & ADOLESCENT BEHAVIORAL HEALTH RESEARCH ENDOWMENT

In January 2017 many generous donors gathered at the Clyfford Still Museum to celebrate surpassing the \$1.5 Million goal to complete the Child & Adolescent Behavioral Health Endowment. Donors mingled with grateful Foundation board members, staffers and Denver Health's team of medical professionals who will oversee the new endowment.

The completed endowment will fill a crucial gap in research on how to adequately treat mental health concerns in children, and since most behavioral health issues begin during childhood and adolescence, researching appropriate methods of treatment will make a world of difference in helping these children achieve stable and healthy lives before it's too late.

We thank all of the donors who have made this possible, including those who donated not only money, but countless hours and endless energy to ensure its completion, including Evi Makovsky, Bill Saslow and Kathy Klugman (left).

## FRIENDRAISERS

1,200 Denver Health employees donned costumes at Broncos Stadium at Mile High for a **dia de los muertos** themed **EMPLOYEE APPRECIATION EVENT** (left) for the Denver Health and Hospital Authority.

The **DR. JOHN SBARBARO LECTURE IN PUBLIC HEALTH** and the **ANN M. LOGAN LECTURE IN EARLY CHILDHOOD DEVELOPMENT** both brought community leaders together to learn about and address cutting edge subject matter.

The atrium of the Colorado Governor's Residence at the Boettcher Mansion was overflowing with crocheted blankets, cases of diapers, and adorable baby clothes on May 17th. This annual donor appreciation event and baby shower drew 150 guests in support of the Foundation's **NEWBORNS IN NEED** program.

The **ANNUAL MEETING**, held on Tuesday, October 24, marked the eighth year of this award ceremony and celebration. In addition to sharing Foundation achievements over the past 12 months, we presented awards to outstanding individuals and partners who have invested in the success of Denver Health.

The annual **FIESTA BASKET SALE** was held in December. Gift baskets made by Denver Health departments were sold through an online auction in support of the Patient Assistance Fund.

From awards ceremonies to baby showers to community lectures, Denver Health Foundation produced a range of "friend raisers" that varied in breadth and content paralleling the hospital's programs.

## IN-KIND DONATIONS

It takes a lot of diapers, bibs and little baby hats to fill the “Warm Welcome” gift bags given to babies born each year at Denver Health Medical Center. That’s why the Foundation’s **NEWBORNS IN NEED PROGRAM** is so grateful for thousands of new items donated by generous community members. School groups and churches held donation drives in 2017 along with businesses and civic organizations. They collected baby shampoo, wipes, pajamas and sleep sacks, too. Individual knitters, quilters and seamstresses made heirloom-quality blankets by the hundreds. With their help, along with significant cash contributions, we were able to provide a starter layette to every single baby born at our hospital—more than 3,400!

Other in-kind gifts also supported a wide range of programs throughout the organization. For example, coats, clothing and blankets were donated to newly arrived refugee patients at the Lowry Clinic. Books were collected for **REACH OUT AND READ**. Wigs arrived for women at the Cancer Resource Center. Fifteen of Denver’s top restaurants provided the delicious sliders and sides for the Hot Rocks Griller Challenge. Child Life received stuffed animals for hospitalized children. Individuals and businesses supported Denver Health Foundation activities in countless ways and we appreciate their extraordinary generosity.
