Because of you, Denver Health is truly a place where medical greatness and human goodness connect.

For a complete list of our 2018 donors see page 11.
The Denver Health Foundation has been the fundraising arm for Denver Health Medical Center since 1998.

An independent 501(c)3 nonprofit, the Denver Health Foundation raises funds from our community to support diverse programs at Denver Health. We maintain active partnerships with local and national foundations, corporations, and produce multiple high-profile fundraising events throughout the year.

In 2018, with generous contributions from our donors, we provided more than $6.5 million to assist Denver Health in the delivery of high-quality care and vital resources to Denver’s citizens.

The mission of the Denver Health Foundation is to support Denver Health in its role to sustain and advance the health and well-being of Denver, Colorado, and the Rocky Mountain region.
For its 7,160 employees, Denver Health is not just a great place to work; it is a place where great work is done in service to others. That’s why 1,860 dedicated employees pledged to give $417,334 of their personal resources to support vulnerable patients, low-income newborns, early childhood literacy, research and scholarships, and more.
On Saturday May 12, 2018, 1,600 guests filled the Centennial Ballroom at the Hyatt Regency to raise $1.4 million dollars for Denver Health. Event co-chairs Lee & Debbie Alpert, Steve & Faye Demby, Steve & Cindy Farber, Gary & Connie Levine, Jimmy & Debbie Lustig, Brent & Julie Morse, David & Ricki Rest, Franklin & Jennifer Rios, Ricky & Shelly Sapkin, and Michael & Iris Smith provided the event leadership needed to ensure an extraordinary evening. Michael Pollak was honored for his tireless energy and endless contributions to the Denver Health Foundation, while Mayor Michael B. Hancock, Governor John Hickenlooper and Larry & Carol Mizel were the honorary co-chairs.

Flo Rida, the evening’s entertainment, blew the audience away with an incredible performance, and contributions from the evening benefited Denver Health School-based Health Centers and STEP (Substance Abuse Treatment Education & Prevention) within DH SBHC’s. We would like to give a heartfelt thank you to all who made the evening possible; our guests, sponsors, donors, and volunteers.
Thank you to the 1,000 guests who joined us at the 10th Annual Hot Rocks Griller Challenge. Because of your support, $100,000 was raised for Men's Health at Denver Health.

We are grateful to our sponsors Hyde Park Jewelers, Graybar and Tripp-Lite. Our hard working co-chairs, Randy Nichols, Daniel Nichols, Robbie Nichols and Taylor Nichols were nothing short of remarkable in their leadership of the event.

Fourteen of Denver's top chefs brought their A-games to support Denver Health Foundation and the Urology Services at Denver Health, long known as one of the preeminent Urology programs in the country. Under the leadership of Dr. Fernando Kim, it attracts patients from around the world with innovative use of digital imaging and minimally invasive surgical approaches to prostate, kidney and bladder cancer. Because of donors like you, they will continue their award-winning research to advance diagnosis and targeted therapy for these diseases.

**Paramedics Awards LUNCHEON**

On Thursday, November 14th the incredible men and women that make up the Denver Health Paramedic Division were honored in an inaugural Awards Luncheon. There was not a dry eye in the audience as story after story of sacrifice and life saves were told. The proceeds from the first year event had a significant impact by outfitting All-Terrain Medical Units, growing the paramedic scholarship fund, allowing the division to purchase concealed body armor, and launching resources to ensure a proper work/life balance for the incredible men and women of our Paramedic Division.
September 2018, Denver Health Foundation held a special evening honoring Ernest E. Moore, M.D. and the naming of the Ernest E. Moore Shock Trauma Center at Denver Health. Throughout his career and under his leadership, Denver Health pioneered one of the nation’s first academic Level 1 Trauma Centers, advancing the dedicated study of trauma care and research. Since then, Dr. Moore has become internationally recognized as a leader in the field of trauma.
1,200 Denver Health employees donned costumes at Broncos Stadium at Mile High for a dia de los muertos themed EMPLOYEE APPRECIATION EVENT.

The DR. JOHN SBARBARO LECTURE IN PUBLIC HEALTH and the ANN M. LOGAN LECTURE IN EARLY CHILDHOOD DEVELOPMENT both brought community leaders together over important topics.

The atrium of the Colorado Governor’s Residence at the Boettcher Mansion was overflowing with crocheted blankets, cases of diapers, and adorable baby clothes on May 16th. This annual donor appreciation event and baby shower drew 150 guests in support of the Foundation’s NEWBORNS IN NEED PROGRAM.

The ANNUAL MEETING, held on Tuesday, October 16, marked the eighth year of this award ceremony and celebration. In addition to sharing Foundation achievements over the past 12 months, outstanding individuals and partners, who are deeply invested into the success of Denver Health, were awarded.

From awards ceremonies to baby showers to community lectures, Denver Health Foundation produced a range of “friend raisers” that varied in breadth and content paralleling that of the hospital’s programs.
It takes a lot of diapers, bibs and little baby hats to fill the “Warm Welcome” gift bags given to babies born each year at Denver Health Medical Center. That’s why the Foundation’s NEWBORNS IN NEED PROGRAM is so grateful for thousands of new items donated by generous community members. School groups and churches held donation drives in 2018 along with businesses and civic organizations. They collected baby shampoo, wipes, pajamas and sleep sacks, too. Individual knitters, quilters and seamstresses made heirloom-quality blankets by the hundreds. With their help, along with significant cash contributions, we were able to provide a starter layette to every single baby born at our hospital—more than 3,400!

Other in-kind gifts also supported a wide range of programs throughout the organization. For example, coats, clothing and blankets were donated to newly arrived refugee patients at the Lowry Clinic. Books were collected for REACH OUT AND READ. Wigs arrived for women at the Cancer Resource Center. Fifteen of Denver’s top restaurants provided the delicious sliders and sides for the Hot Rocks Griller Challenge. Child Life received stuffed animals for hospitalized children. Individuals and businesses supported Denver Health Foundation activities in countless ways and we appreciate their extraordinary generosity.

IN-KIND DONATIONS

Melly Kinard, former CO first lady Dottie Lamm, Dr. Sharon Langendoerfer, Dr. Patricia A. Gabow, Karen Loucks Rinedollar, Paula Herzmark, former CO first lady Bea Romer, former CO first lady Frances Owens, Deborah Pain, Susan Calonge, and Jean Galloway, all founding members of the Newborns In Need program at Denver Health Foundation gathered to celebrate its 15 year anniversary.
