

# 42<sup>nd</sup> Annual DHHA Employee Golf Tournament

Benefiting the Denver Health Foundation  
June 2, 2023 – Fox Hollow Golf Course, Lakewood, CO

---

The funds raised from the 42<sup>nd</sup> Annual Denver Health Employee Golf Tournament will support healthcare services for youth provided by Denver Health. Denver Health provides many opportunities to engage hospitalized children and teens in special activities, support their development, and enhance their ability to cope with daily stressors and successfully navigate life's challenges. Additionally, we provide school-based clinics in 19 Denver Public School sites and provide integrated health care services to more than 12,000 students annually. The funds raised by the golf tournament will be put toward the greatest needs that help youth get a healthy start in life and provide care throughout all stages of their development.
