DENVER, CO 80210

ABOUT THE DENVER HEALTH PARAMEDIC DIVISION

The Denver Health Paramedic Division is the sole provider of emergency medical services for the City and County of Denver, as well as residents of Glendale, Sheridan, Englewood and the Skyline Fire Protection District. Their mission is to provide professional, compassionate and clinically excellent care to every patient, with every encounter, through a culture of integrity and continuous improvement.

As first responders, Denver Health Paramedics put their lives and more on the line every day. Their commitment to community is evident in the care they provide on the scene.

The Division, with support from mutual aid partners, responds to over 128,000 calls annually and more than 80,000 patients are treated and transported by our EMS providers and partner agencies. Please join us in honoring the heroic work our paramedics do every day and to thank them for going above and beyond for our community.
