THRIVING DENVER
THE DENVER HEALTH FOUNDATION GALA
APRIL 6, 2024
HYATT REGENCY DENVER
AT COLORADO CONVENTION CENTER
In 2024, the Denver Health Foundation Gala is not just an event—it’s a celebration of Denver’s health!

Join us for an evening filled with art, music, and dance—a showcase of the thriving Denver community Denver Health makes possible.

For more than 160 years, Denver Health has been a beacon of innovation, providing comprehensive care and breaking down barriers to health. Denver Health unites health care with economic strength, extending its mission beyond hospital walls to touch lives through primary care, behavioral health, early childhood development, paramedic and first responder services, and more.

Your sponsorship is an investment in a mission that goes beyond healing—it’s about fostering a thriving Denver. By supporting Denver Health Foundation, you empower equitable health care, educate future health professionals, and drive research and community partnerships.

Join us in building a healthier, more vibrant city. Sponsor and contribute to an extraordinary celebration, shaping a legacy of collective wellness at the 2024 Denver Health Foundation Gala.
Current and former City of Denver Mayors have been advocates for Denver Health and have themselves been served by the health system for decades. We are honored to call them our Champions.
